

ELECTRONIC WASTE RECYCLING

The Regional Waste Management Authority and Yuba Sutter Disposal, Inc (YSDI) are pleased to offer recycling of electronic waste at no additional charge. Residents, businesses, government agencies and organizations may deliver televisions and computer equipment, as well as other hazardous and prohibited electronic wastes, to the YSDI MRF/Transfer Station at 3001 N. Levee Road in Marysville. Please note that disposal weight charges will be assessed on the entire load if other non-electronic items are included in the load.

BUSINESSES, SCHOOLS, NON-PROFITS AND GOVERNMENT AGENCIES can take advantage of this opportunity by simply completing and returning the form below to YSDI at the time of delivery. No form is required for TVs, monitors, and other electronic waste from a residence. A standard bill of lading may also be used if the same information below is provided. You must include the California source certification if using a bill of lading.

TELEVISIONS, MONITORS, AND OTHER ELECTRONIC WASTE MUST BE PACKED, TRANSPORTED AND UNLOADED SO AS TO AVOID BREAKAGE. PLEASE CONTACT THE YSDI ENVIRONMENTAL DEPARTMENT AT 743-6933 FOR ASSISTANCE IN DISPOSING OF EQUIPMENT WITH BROKEN SCREENS OR BROKEN CRT-GLASS.
